

# **MUNDORF EB GMBH**

expressly notifies as follows.

Company **JY Audio**, who claims to trade directly with us, the Mundorf company in Germany, in fact, has never been in touch with us.

**JY Audio** has never been delivered with any of our parts.

Instead, **LOWTHER CHINA** for almost one year now, is our sole distributor for P.R. China, HK and Macao. Their original parts do carry a fraud-proof, silver shiny Hologram showing the Mundorf-Logo. Cologne, Germany, **2009-2-4**
